

Guidelines to be given to Parents/Guardians by Race Organiser:

- The race organiser reserves the right to decline entry to any person unable to meet or abide by the promoter's conditions.
- All outside photographers are required to sign in at an event if required by the organiser.
- Any photograph taken should be of an appropriate nature. Any person taking inappropriate photographs will be asked to cease photographing by the event organiser and the matter reported to the appropriate Designated Person/Statutory agencies.
- Taking photographs of your own children is OK, you should respect other young people's privacy. Group photographs involving other children are preferable to individual photographs.
- In the pool and surrounding area, only photograph children who are fully immersed or fully clothed.
- If the juniors clothing is inappropriate do not photograph.
- Names of Juniors in photos may not be published and names should be airbrushed if featured on the race number.
- If in doubt regarding the suitability of a picture consult with the club Childrens Officer or Designated Safeguarding Lead at the event OR do not photograph.
- Re prints and soft copies of photos of Juniors may only be released to parents/guardians of the child.
- Photographers must comply with the TI Safeguarding Code including the Code of Conduct for Volunteers and parents.
